Hi Holly,

The 30-day extension request is granted.

I am glad to discuss your planned approach and sampling locations but I'd rather do it on Friday the 30th. As of today, I have availability any time from 11AM to 5PM that Friday.

Thank you,

Subject: Former TRW Microwave, Sunnyvale, California Work Plan Extension and Meeting Request

Lilian,

We would like to request a 30-day extension to complete the work plan for indoor air sampling at the Former TRW Microwave Site in Sunnyvale, California. In addition, we would like to arrange a meeting to discuss our planned sampling approach and sampling locations. Do you have availability September 27?

Thank you,

Holly Holbrook
